

Newsletter 12 21st November 2022

Dear Parents and Children,

I hope you have all had a good weekend.

Absence – As your children may tell you, there has been a lot of absence today, mainly with children having vomiting / diarrhoea symptoms.

Although we are not aware of any children or staff in school having COVID at present, and not for several weeks now, vomiting / diarrhoea can be a symptom, so we would suggest children with these symptoms do take a test.

Please contact me with any questions / concerns.

I hope your children are well / feeling better.

Chris Wilson
