

The Primary PE and sport premium

Planning, reporting and
evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2025.**

Activity/Action	Impact	Comments
Please see 2023/24 plan reviewed using Time2Move framework. Whole School beach sessions and surfing lessons.	All children will be able to attend the beach and have the opportunity to get into the sea with train/qualified professional instructors. Confidence in water and on beach will increase. Water safety awareness. Beach safety awareness. Confidence in water when seeing peers doing the same thing.	The children were fabulous and adored their time on the beach and in the sea. Confidence was through the roof! ALL children enjoyed the experience and were able to enter the water with a qualified instructor if they wanted to. More engagement in physical activity. Increased awareness of SURFING.

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

<p>beams, rails and climbing frame.</p> <p>Staff employed to run sports club for ALL children including hockey, netball, dodgeball, football and athletics – aimed at increasing engagement, participation and confidence. Coaching techniques/health and wellbeing was focused on.</p>	<p>SAFELY in lessons.</p> <p>Whole School Improvement</p> <p>Clubs open to ALL children</p>	<p>learning opportunities for ALL children has increased. Children's confidence has greatly increased.</p> <p>Increased confidence and awareness of a range of sports.</p>

Swimming Data 2024/25

*Meeting National Curriculum requirements for swimming and water safety.
 Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
-----------------	---------------	---------------------------------------------------------------

What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	70%	<p><i>Use this text box to give further context behind the percentage.</i></p> <p><i>Swimming lessons from September to December 2024, 1 lesson per week.</i></p> <p><i>e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i></p>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	70%	<p><i>Use this text box to give further context behind the percentage.</i></p> <p><i>e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i></p>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	70%	<i>Use this text box to give further context behind the percentage.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No
