

Newsletter 1 8th September 2022

Dear Parents and Children,

Welcome back to our existing children and parents and welcome to our new people. I hope you all enjoyed a good summer.

It has been truly fabulous to be back in school today. We have 100% of children in and 100% of children happy in their school with their old and new friends. Every member of staff has told me how wonderful their new classes are and it has truly been a joy. Thank you all.

Children will be able to bring snacks and drinks to the after school club and healthy snacks, fruit and squash will also be available.

We will not be running any other after school clubs until after the half term holiday to allow for this new system to bed in.

London Trip: We have booked a trip to London for all children in Peswara class from Wednesday 17th to Friday 19th July. More details and payment plan will follow.

Technical Issues: Over the summer holiday, we have all changed e-mail addresses (staff are below); changed website provider (our new site is not yet live, details will be provided ASAP) and also our in school electronic management system. Understandably, there have been a few glitches, so please bear with us – all communication for the next few days will be via phone, paper (hence this newsletter via paper – electronic version to resume next week), e-mail as below or in person.
