

## **Newsletter 13 25<sup>th</sup> November 2022**

**Dear Parents and Children,**

Following the very high number of absences (about 20% of the school this week) due to vomiting and diarrhoea I have taken advice from The Health Security Agency.

There is a letter with the advice attached. They also asked me to stress that if anyone has bloody stools (we are not aware of anyone with these symptoms) to contact your GP / Medical Centre immediately or the NHS on 111. Can I also ask that if anyone has been admitted to hospital, that you contact me via e-mail over the weekend.

[head@pendeen.tpacademytrust.org](mailto:head@pendeen.tpacademytrust.org)

There is genuinely no reason to be alarmed and the Health Security Agency were not unduly concerned, we just want all of our wonderful children back in school as soon as possible.

Please contact me with any questions / concerns.

I hope your children are well / feeling better and we look forward to seeing everyone back in school next week. Have a lovely weekend.

Chris Wilson
