You guys ROCK! Thanks for an AWESOME week!

Another week has passed by, full of **adventure, creativity, new links** being made and children working their **socks off!** Year 5 and 6 have shown huge levels of **determination** and **perseverance** as they've been sitting some practice KS2 SATs - Team Peswara continue to be **inspired** by your fabulous attitude towards learning. Over the next couple of weeks, the other year groups will also tackle some in-class-assessments. Pendeen Car Park Update

The new road works and traffic calming measures in front of the school are now complete. These will help to make the village **safer for our children**. We are asking all parents to try to use the church car park on pick up and drop off to free up space in the car park - as the houses opposite the school have lost car parking spaces due to the new traffic calming measures. After parking in the church car park, access will still be via the normal gates - up the gravel path.
