

Thank You!

It was a pleasure...

**...working with your lovely school, we hope everyone enjoyed it as much as we did.
Hopefully we can continue our positive work with you in the future.**

In the meantime, to help your school community further, please find some links attached on the next pages.

These include poster templates, things to give your pupils the chance to re-address some of the key messages as well as a school certificate.

All we ask for in return, is your feedback if possible.

Follow on bits & pieces!
