

Pendeen School

nurture | create | aspire | achieve
as one

We are very passionate at Pendeen School about fostering a life-long love of reading. We currently send home reading books that are linked to your child's reading ability, and these are changed on a regular basis.

Children in Nessa and Kynsa will be able to choose a story book from the class book corner and share this at home as a story before bed. These books are for you and your child to share together since the children will not be able to read them independently.

Unlike library books, the children can choose to change their book as often as they like. If they would like a new bedtime book every night, this is possible. If like most children, they have a favourite, they can choose to read it over and over again too!

All we ask is that the books are returned in the same good condition they come home, and children will only be able to choose one book at a time. The book will be logged in your child's reading diary, so this will need to be in class for their book to be changed.

We really hope you will be able to enjoy this lovely time of day, and share a bedtime read with your child.
